To the Board of Directors of Unit 125:

On June 24, 2020 I met with Harvey Bernstein and reviewed the financial records for the year May 31, 2020. Per review of the cash disbursements, there were no unusual items noted. The Unit has two certificate of deposits that total \$15,687.79. The checking account balance, after transferring the proceeds of a matured certificate of deposit, is \$23,394.16. If there are any questions, do not hesitate to contact me.
